Please plan to arrive on time, but no more than 10 minutes before the start of your party. Even though your Party Time is Private, O'Leary's is hosting numerous parties throughout the day so time management is important. You will have the entire 1 hour to set up for your party, while the children are having a blast in the gym .

The Energized Gym Time

The moment the party starts, our very outgoing instructors will invite all the children to join them in the gym for age-appropriate games, obstacle courses and other FUN activities including Parachute and a Bounce House. All activities are supervised by our professionally trained and experienced instructors to give everyone a Party of lifetime. Please, let us know if you would like to do a "group picture" as the instructors can assist you with that during the parachute time.

The Party Area

After a full hour of energized gym time, the children will be ready for refreshments. Our instructors will assist you during this time as well, if needed. Please remember that the Party Area is yours for only the time you reserved it as there might be another party scheduled after yours. Thank you for understanding.
